School Facility Conditions and Planned Improvements

The school, originally built in 1971, was modernized in 2001 and is surrounded by attractive grounds and landscaping. There are 34 classrooms, including 6 newly renovated science classrooms and two modules or portables. In addition to boys and girls locker rooms, students have access to a weight room and cardio lab. Other facilities include a moderately sized library, a newly renovated multipurpose room, an outdoor quad, and extensive field and court space. In 2023, our Wellness Center "The Ranch" was added to support students. All of these facilities are kept in good repair and our custodial staff and district support personnel take great pride in maintaining an attractive, clear, and safe school. The tennis courts were resurfaced in 2016, the basketball courts resurfaced in 2022, and the outside play equip was replaced in 2010.
